

Project Design Phase-II Data Flow Diagram & User Stories

Date	5 July 2026
Team ID	
Project Name	Book A Doctor
Maximum Marks	4 Marks

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.
